SIR,

With reference to Government Order No 526-6/12/Ed 12 dated the 11th July 1902 sanctioning the continuance of the monthly grant of Rs 20 in aid of the English School at Soule and observing that annual renewals of this kind are inconvenient and that some permanent arrangement seems desirable, I have the honour to state that as the continuance of the grants in aid of English and Sanskrit Schools in villages is subject to pre-payment

by the people of their share of the cost of such schools at the expiration of a year, no arrangement which will hold good for a longer period than one year seems feasible. The people will feel it a real hardship to be asked to pay in advance more than a year's contribution and this fact makes it unavoidable to renew the grants annually. Since however Government think the present arrangement inconvenient, I would propose that when once a grant is sanctioned by Government and provided in the Budget, the Inspector General may be empowered to renew it annually at his discretion on the people paying their contribution towards the cost of the School. This seems to be the only course by which the inconvenience referred to in the Order may be removed.

I have the honour to be,
Sir,
Your most obedient servant,
